

Activities Calendar Autumn/Winter 2025

Hello. Here's the details of our autumn/winter programme with a range of local activities for visually impaired people to take part in. This calendar is updated quarterly, the latest version can be found on our website. Information can also be found on our Facebook page.

During this quarter there's a variety of indoor events. Unfortunately, we cannot provide transport but we do try to make sure venues are easily accessible by public transport.

People who have attended our events say how much they enjoyed getting out and how useful it was to meet other people with sight loss. We also welcome your ideas or suggestions for activities.

You may wish to attend with a partner or friend, while others come on their own. If you need some assistance to get about, please contact us in advance so that we can try to arrange for a volunteer to help.

It is always good to contact us to let us know which sessions you're interested in, so that we know the numbers attending. If you require any further information or wish to book - please contact Victoria Gallimore on 01332 292262 or email: Victoria.gallimore@sightsupportderbyshire.org.uk

We would love for you to join us!
